CLUBHOUSE ACCESS

Interviews with players and coaches may be conducted in the clubhouse by working media only up until 1 hour before game time and following the conclusion of the game. Any interviews must be coordinated through the Bees' Media Relations department. A member of the Bees' media relations staff will escort media members into the clubhouse.

PARKING

Media parking is located next to the visitor's clubhouse on the third base side of New Britain Stadium. Members of the media may use their credentials for free parking access on game days that they are working.

PRESS BOX

The Bees' press box is located in the center of the suite level of New Britain Stadium. Prior to each contest, game notes, statistics, rosters and starting lineups will be made available. A press box meal or food voucher will be provided to all members of the working media 1 hour prior to first pitch. There is limited space in the press box, with beat writers, broadcasters, and visiting team personnel receiving priority. The press box will open two hours prior to first pitch and close one hour after the final out. Media credentials must be visibly worn at all times in the press box.

BALLPARK ENTRANCE

Media can enter New Britain Stadium through any open gate two hours prior to first pitch. Access to the press box can be found by the main entrance with an elevator (right inside the main gate) and stairs (left inside the main gate). Media will be required to present their credentials to enter.
